## Our Purpose:

In an effort to maintain the integrity of the black experience and embrace our beauty, “Black Like Me,” was created. “Black Like Me” is laughter, history, entertainment, culture, infamous quotes, freedom, and most of all, “Black Like Me.”

## Black Like Me Rules:

Between 2 and 10 players can play at once.  
Step 1 -The game begins with the dealer dealing out the entire deck of Black Like Me Cards.  
Step 2 – Player “B” (on dealers left) requests the first question by saying, “ Black Like Me” with a number between 5 and 25 points to player on left (Player “C”).  
Step 3- Player “C reads a Black Like Me card question with the point value requested by Player B.  
Step 4- If Player “B” answers the question correctly, Player “B” receives the points requested. If player “B” answers incorrectly, Player “B” receives 0 points. If player “C” does not have the point value requested, player “C” can declare “Freedom” and choose any question that player “B” must answer.  
Step 5- The next player on left repeats the above.  
The first player to 150 points wins (score like dominos).

## How to score:

Each question is assigned a number from 5-25 points.  
The first player to reach 150 points wins!
